Dear Ms. Howard and Ms. Falvey,

This is an Immediate Disclosure Request for public records under San Francisco's Sunshine Ordinance, the California Public Records Act, Proposition 59, and the Brown Act.

In response to questions raised by Supervisors Malia Cohen and London Breed during the Board of Supervisors June 18 Bielensohn hearing on proposed reductions of services in DPH's FY 13-14 and FY 14-15 budget, Director of Public Health Barbara Garcia repeatedly testified to the Board of Supervisors that Mayor Ed Lee had restored "all" of the mental health cuts to the City's budget.

Please provide a list showing each — and **all** — of the mental health services Mayor Lee restored to the City's and DPH's budget, the programmatic area involved, the dollar amount the Mayor restored, and on what date the Mayor had restored each proposed cut.

As a reminder, this is an Immediate Disclosure Request, and the clock starts clicking.

Thank you.
